Eminent UK Organ Scrappage Scheme

Buying an organ is a big deal whether you are doing this for yourself, a school or a church. At Eminent UK, we understand these pressures which is why we have launched this scheme.

Launched at Rhinegold's *Education Expo* on Thursday 9 February 2017, we are offering up to an incredible £2,000 scrappage allowance for your old organ to put towards a brand-new instrument from a great range of digital organs.

This offer is being made by Eminent Organs UK Limited independently. Terms and Conditions apply.
